A message from the
Grand Master of Masons . . .

MW James Edward Litten, like RW Stan Johnson, believes that charity and fraternal assistance are among the greatest of Masonic virtues. For this reason, he is encouraging all Virginia Masons, their friends, business associates and golfers everywhere to support this tournament.

FORMAT

The primary mission of the Masonic Home of Virginia is to embody the Masonic principle of care for others to which Masons have obligated themselves. For that purpose Masons founded this community of care in 1890 and continue to support it through their financial gifts and with their volunteer efforts.

Masons, their wives and widows –subject to eligibility guidelines- may apply for residency at the Masonic Home. In this way Masons continue their strong tradition of charity and fraternal assistance.

Support for the Masonic Home is tax deductible. Hole sponsors are fully deductible and entry fees for players are partially deductible, under IRS rules.
